Dear SPE Denver Section Members,

At our May General Meetings, we typically vote in our section's Executive Board as per our section by-laws. As we, unfortunately, won't be holding our May meeting this year, we will be conducting our election by electronic survey. Please expect a survey in about 1 week's time where we will ask you to vote on both the amended by-laws and our proposed executive board.

These individuals are nominated for the section's executive board.

Past Chairperson	Kelly Wingard
Chairperson	Jessica Iriarte
Treasurer/Chair Elect	Eric Lyche
Treasurer Elect	Davis Scott
Program Chair	Philip Ouellette
Secretary	Claudio Ramos
Membership	Ellen Scott
Community Outreach	Ben Nathan
Young Professionals	Kyle Barnoff
Section Director	Joe Dumesnil
Section Director	John Benton

We appreciate greatly our outgoing board members and are excited about the challenges of the new year.

Regards,
Kelly

Dear SPE Denver Section Community,

As society continues to open up a bit, we are dedicated to continuing to share technical knowledge with our membership. While we are postponing physical events for the

foreseeable future, we hope to continue to provide learning opportunities remotely to our members.

SPE International is ramping up its remote learning capabilities and is working to provide increased lectures from our Distinguished Lecturers remotely. Please refer to <https://webevents.spe.org/upcoming> for future events.

Several of the Distinguished Lecturers we would like to highlight soon are:

- **Drilling Automation and Downhole Monitoring with Physics-based Models**
Includes a Live Event on 05/12/2020 at 7:30 AM (MDT)
Dr. John Hedengren
Assistant Professor, Department of Chemical Engineering, Brigham Young University
Register at: https://webevents.spe.org/products/drilling-automation-and-downhole-monitoring-with-physics-based-models#tab-product_tab_speaker_s
- **Marginal Fields How to Maximize Profit and Minimize Risk**
Includes a Live Event on 05/13/2020 at 6:00 AM (MDT)
John Pringle
Petroleum Engineer
Register at: https://webevents.spe.org/products/marginal-fields-how-to-maximize-profit-and-minimize-risk#tab-product_tab_speaker_s
- **Engineered Well Design: From Spud to Abandonment**
Includes a Live Event on 05/27/2020 at 8:00 AM (MDT)
Dr. Hussain Rabia, Consultant
Register at: https://webevents.spe.org/products/engineered-well-design-from-spud-to-abandonment#tab-product_tab_speaker_s
- **Using Advanced Geomechanical Analysis to Define Practical Cut-offs for Sand Management Decisions**
Includes a Live Event on 06/04/2020 at 7:00 AM (MDT)
Dr. Abbas Khaksar
Global Geomechanics Advisor and Subject Matter Expert
Register at: https://webevents.spe.org/products/using-advanced-geomechanical-analysis-to-define-practical-cut-offs-for-sand-management-decisions#tab-product_tab_speaker_s
- **Root Cause and Mitigation for Sand Production**
Includes a Live Event on 06/10/2020 at 7:30 AM (MDT)
Surej Kumar Subbiah, Geomechanics Advisor, Schlumberger
Register at: https://webevents.spe.org/products/root-cause-and-mitigation-for-sand-production#tab-product_tab_overview

We are working on several local lectures and programming topics and will keep you informed as events are added to our schedule.

Thank You,
Philip Ouellette

Denver Section SPE Programs Chairman

Dear SPE Denver Section Community,

During these unprecedented times, SPE is here supporting our members! We are currently offering a 20% discount* on your membership renewal for 2020 (applied at checkout).

Membership is essential to keeping you connected to a global network, with online resources enabling you to stay current and enhance your technical knowledge.

**The 20% discount is not applicable for Country Group 2 electronic membership. To receive this special offer, you must use the renewal link below or contact service@spe.org.*

[RENEW NOW!](#)

Stay connected and involved right now!

- Access to the latest E&P technologies and trends in [SPE publications](#)(SPE members receive up to 50% off of book retail prices. Now through 15 May 2020, you can get an additional 20% off any SPE bookstore eBook purchase)
- Subscription to the [Journal of Petroleum Technology](#)[®] magazine, and articles online
- Access to 180,000+ technical documents in [OnePetro](#)[®], the multisociety, online library. (SPE has reduced the member price of all SPE papers in OnePetro to just USD 5 per paper through 31 December 2020)
- Knowledge transfer, industry insights, and development of technical and soft skills through [online offerings](#) like:
 - [Distinguished Lecturer webinars](#)
 - [Online educational webinars and virtual events](#)
- Global knowledge sharing and networking in [member communities](#).
- Knowledge sharing and networking through our section.

Members in Transition:

If you are currently furloughed or unemployed due to COVID-19, contact service@spe.org to request a waiver.
